

# The End

Little Mix

I can't keep breaking up with you  
You messed with my heart, babe  
Now it's black and blue  
But love isn't fair  
And I swear  
That this time  
This is the end

And I can't keep lying  
Lying to myself, oh  
I'm thinking that you love me right  
But you never will  
It's too much to bear (Too much to bear)  
So I swear (This time I swear)  
That this time  
This is the end (I mean it baby)

Said I'm gonna leave, but I'm never leaving  
Now I know that I really don't need you  
Had your fun, now the party's done  
And you beg on the floor as I walk out the door  
Boy, we're through

All the tears I cried  
All the lonely nights  
Boy, I lost my mind but now I'm sure (Yeah I'm sure, now I'm sure)

You can say all you want  
But love isn't here anymore

And I won't be missing, missing you

And no one can love you, the way I used to do

But love isn't fair (Love isn't fair)  
And I swear (This time I swear)  
That this time  
This is the end, Oh whoa

I promise baby

This is the end

You know it's the end

Oh whoa yeah

This is the end
