

# If I Don't Get Enough Of You

Little Texas

If I don't get enough of you  
I can't think I can't sleep  
If I don't get enough of you  
I can't eat I get weak  
Without you there to hold me tight  
I can't make it through the night  
I don't know what I'm gonna do  
If I don't get enough of you

If I don't get enough of you  
I don't act like I should  
If I don't get enough of you  
It's a fact I'm no good  
I'm bringin' everybody down  
I ain't no fun to be around  
I don't like the man I turn into  
If I don't get enough of you

You've done somethin' to me  
It just took one touch  
Your love goes right through me  
And I can't get too much

If I don't get enough of you  
Get my time get my share  
If I don't get enough of you  
Seems like life just ain't fair  
Why should I have to do without  
You're all I ever think about  
Nothin' else is gonna do  
If I don't get enough of you

You've done somethin' to me  
It just took one touch  
Your love goes right through me  
And I can't get too much

If I don't get enough of you  
I can't think I can't sleep  
If I don't get enough of you  
I can't eat I get weak  
Without you there to hold me tight  
I can't make it through the night  
I don't know what I'm gonna do  
If I don't get enough of you

You know I don't know what I'm gonna do  
If I don't get enough of you
