

## Mellow Down Easy

Little Walter

You jump, jump, here  
You jump, jump, there  
You jump, jump, jump,  
everywhere  
Then you mellow down easy  
Mellow down easy  
You mellow down easy when you really wanna blow your top

You shake, shake, here  
You shake, shake, there  
You shake, shake, shake,  
everywhere  
Then you mellow down easy  
Mellow down easy  
You mellow down easy when you really wanna blow your top

You wiggle, wiggle, here  
You wiggle, wiggle, there  
You wiggle, wiggle, wiggle,  
everywhere  
Then you mellow down easy  
Mellow down easy  
You mellow down easy when you really wanna blow your top
