

Oh Baby

Little Walter

Oh Baby, you gonna miss me when I am gone,
Oh Baby, you gonna miss me when I am gone,
I thought you was my baby and you'd allways be my friend.

Oh Baby, I feel tears commin' in my eyes
Oh Baby, I feel tears commin' in my eyes
If I don't leave now baby, I'm going to breakdown and
cry.

Oh Baby, I'll never trust your love again
Oh Baby, I'll never trust your love again
Well you said you'll be my Honey, my sweet Honey 'till
the end.

You got my heart aching, 'cause I love you so,
thinkin' of that I can't stand no more,
Ohoh Ohohoh, you gonna miss me when I'm gone.

Oh baby you gonna miss me when I'm gone,
Oh baby you gonna miss me when I'm gone.
