Naked lovers feel the blood beneath their veins electric nerves communicate with tiny explosions through our brains who is this energy that never left or came? give rise to passion the only glory of this human story

I'd give my heart and soul to the one

We spend all of our lives goin' out of our minds looking back to our birth, forward to our demise even scientists say, everything is just light not created, destroyed but eternally bright masters in everytime lord in everyplace those who stood up for love down in spite of the hate in spite of the hate

Who put the flower in the barrel of that gun? who lit the candle that started the fire, burnt down the fortress, the throne? who could house all the refugees in a single shack or a lonely bungalow? who lives in a different dimension, free from the struggles we know?

I'd give my heart and soul to the one

We spend all of our lives goin' out of our minds looking back to our birth, forward to our demise even scientists say, everything is just light not created, destroyed but eternally bright masters in everytime lord in everyplace those who stood up for love down in spite of the hate we spend all of our lives goin' out of our minds they live in the light

We made it to the moon but we can't make it home waitin' on some rescue to never come made it to the moon but we can't make it home maybe home is where the heart is given up to the one to the one

We spend all of our lives goin' out of our minds lookin' back to our birth, forward to our demise we spend all of our lives goin' out of our minds they live, they

They stood up for love stood up for love stood up for love they stood up for love stood up for love stood up for love We spend all of our lives goin' out of our minds masters in everytime we spend all of our lives goin' out of our minds stood up for love
