

## Time's Up

Living Colour

Time's up, the rivers have no life  
Time's up, the world is full of strife  
Time's up, the sky is falling  
Time's up, the Lord is calling

How you gonna stop the clock now  
When the well runs dry?  
All the rivers have died

Moment by moment  
Day by day  
The world just slipping away

Your future won't save your past  
The time is now, it won't last

Then time is nigh  
Time to do or die

Time waits for no one  
If you want to go on  
Give me somethin' to grow on

The forest, the trees  
The rivers, the seas  
All die of this disease

Time ain't on your side  
Don't sit idly by  
You've got to just try

[Inaudible]
