Time's up, the rivers have no life Time's up, the world is full of strife Time's up, the sky is falling Time's up, the Lord is calling

How you gonna stop the clock now When the well runs dry?
All the rivers have died

Moment by moment

Day by day

The world just slipping away

Your future won't save your past The time is now, it won't last

Then time is nigh Time to do or die

Time waits for no one
If you want to go on
Give me somethin' to grow on

The forest, the trees
The rivers, the seas
All die of this disease

Time ain't on your side Don't sit idly by You've got to just try

[Inaudible]
