

# I Own You

Livvi Franc

I'd like to have you for my pet  
So let me get my leash  
And if you're good  
You'll get a treat  
And never be released

You're acting like a big man  
With your friends here tonight  
But I know just what you like  
What you like  
And I'm here to give it to you

Baby I own you  
I call the shots, yea I'm the boss  
Baby I own you  
Tonight you work for me

You never felt like this before  
Every time I take control  
You say oh oh oh  
Baby I own own own you

For every girl that you jerked around  
I give another smack  
For every woman whose heart you crushed  
I give my whip a crack

I know you need a strong hand  
You're slightly twisted cause I  
I know it's just what you like  
It's just what you like

Baby I own you  
I call the shots, yea I'm the boss  
Baby I own you  
Tonight you work for me

You never felt like this before  
Every time I take control  
You say oh oh oh  
Baby I own own own you

Harder  
Faster  
Longer  
Better  
I'm gon  
Play this  
Game forever  
In the end I will always win  
Cause it's just a game to me  
I can get it anywhere  
But you will still be on your knees  
Begging me for mercy

Baby I own you  
I call the shots, yea I'm the boss

Baby I own you  
Tonight you work for me

You never felt like this before  
Every time I take control  
You say oh oh oh  
Baby I own own own you

Baby I own you  
I call the shots, yea I'm the boss  
Baby I own you  
Tonight you work for me

You never felt like this before  
Every time I take control  
You say oh oh oh  
Baby I own own own you

I own you  
I own you, baby  
Oh oh oh  
Baby I own you  
Aha aha aha  
Baby I own you
