

Headache

Liz Phair

I can see the Russian Army rolling through my head
On one side of me lies the enemy, the other half is dead
I've got diamonds and I've got pearls...
And I said, "Hey mister, won't you come for me?"
You can take me home, but I will never be your girl
I won't let your mystery unfurl

That's the whole thing about it...
I'm so in love today
I've been waiting at the bus stop
Come my way?

I'm a
Psychosomatic sister
Running around without a leash
Snow is falling, January's all across the land
I've got seven other men in the ditches behind me, and
I'm think I'm the last survivor...
