Yeah, man the flavour, flavour
YEEEAAAHHH...!!!
Ah yeah, who we doing?
Buck, buckin' em down, buck, buckin' em down
Buck, buckin' em down. buck, buckin' em down
Buck, buckin' em down, buck, buckin' em down
Buck, buckin' em down, buck, buckin' em down
Ninety-three comin' off with the flicks and the rough shit
Packin' nigga's kicks with black pits
Saber tooth, the truth, ha-coot! spit the juice
and let the hot-ass-lead-loose Let it fly, betty-bye if you're ready to die
Kickin' your ass and you can ask Keith Sweat why
I make your Benz seem obsolete G
Rippin' your ass discretely, if you meet me
Puttin' bullets holes in tents, no fingerprints
You'll catch a slug in your ass while you jump the fence
Another young black man just caught a case
Not from ?texa-mase?, from gettin' funky like a staircase
Buck, buckin' em down, buck, buckin' em down
Buck, buckin' em down. buck, buckin' em down
Buck, buckin' em down, buck, buckin' em down
Buck, buckin' em down, buck, buckin' em down
Buck, buckin' em down, buck, buckin' em down
Buck, buckin' em down. buck, buckin' em down
Buck, buckin' em down, buck, buckin' em down
Buck, buckin' em down, buck, buckin' em down
Yeah, what a scene, pullin' a Tech
with an extra magazine out the baggy-ass jeans
Wettin' up the block with mad Tech shots
Drop the glock, puttin' crackheads in headlocks
Like a cheetah with my dig-beaters
Ten millimeter, buck, buckn' you down from my two-seater
Rippin' shit for the brothers who ain't here
Killin' bears and kickin' snitches right off the pier
Glock full of guts, steady buckin' butts
Lettin' moonlight in your head-pull-puds
Def Jam in your ass for the jams
You've got posse, but are you nice with your hands?
Buck, buckin' em down, buck, buckin' em down
Buck, buckin' em down. buck, buckin' em down
Buck, buckin' em down, buck, buckin' em down
Buck, buckin' em down, buck, buckin' em down
Biggin' them up and the rippin' them up and the
shakin' them up and the pickin' them up and the
biggin' them up and the rippin' them up and the
shakin' them up and the pickin' them up and the
biggin' them up and the rippin' them up and the
shakin' them up and the pickin' them up
biggin' them up and the rippin' them up and the
shakin' them up and the pick...
