

I Am Not a Whore

LMFAO

I am not a whore
I am not a whore
I am not a whore
I am not a whore
I am not a whore
I am not a whore
But I like to do it

Most girls I meet are quite savage
Always tryna' grab up on my package
They say I look yummy and they want a taste
But I'm a human not a sandwich.

Sometimes I feel like llcooljay
I make love not not wear them bootay
But every girl I try to get to know
Ends up tryin to do me
I said

I am not a whore
I am not a whore
But I like to do it

Sometimes, I just wanna dance
Girl I know yah like my style
But get your hand outta my pants

I am not a whore
(No no no)
I am not a whore
(not your hoe)
I am not a whore
(I just love the music)
I am not a whore
(But I like to do it)

I am not a whore
I am not a whore
I am not a whore
I am not a whore
I am not a whore
I am not a whore
I am not a whore
I am not a whore
