Don't you hate it
When people are in love, they're so
They're so happy
So goddamn happy, happy

Don't you hate it
When people are in love, they're so
They're so happy
So fucking happy, happy

I wanna cut you down
I wanna cut you down
I wanna cut you down
It's not fair
Crystal clear and glassy-eyed in love

Dave and Heather
I see them fighting all the time
I kind of like that
I kind of need that

'Cause I just hate it
When people are in love, they're so
They're so happy
So fucking happy, happy

I wanna cut you down
I wanna cut you down
I wanna cut you down
I wanna cut you down
I wanna cut you down
I wanna cut you down
I wanna cut you down
It's not fair
You're so crystal clear and glassy-eyed
You're crystal clear and glassy-eyed
You're crystal clear and glassy-eyed in love

Don't you hate it
Don't you hate it
Don't you hate it
Don't you hate it
