

Pretty Good Day

Lonestar

It's a pretty good day when you read the sports page and your team's winning
When you scan the obituaries and your name ain't in em
It's a pretty good day when you get to complain that the sun ain't shinin'
But you put on your shades anyway
Cuz you know there's a silver lining

Hey hey hey
It's always a pretty good day
When I get to see your face
Whenever I get to say I love you and you say me too
And you know that's all I need
At the end of the day it's a pretty good day to be me

It's a pretty good day when you're out on the lake and the fish ain't bitin'
So you just sit there and catch your share of some peace and quiet
It's pretty good day when you're on your way and you like where you're going
And you got what you want and you want what you got and you're wise enough to know it

HEY HEY HEY
It's always a pretty good day when I get to see your face
Whenever I get to say I love you and you say me too and you know that's all I need
At the end of the day it's a pretty good day to be me

It's been a pretty good ride around the sun
It's been pretty good day, good week, good month
It's been a pretty good year
And I'm glad I'm here

HEY HEY HEY
It's always a pretty good day when I get to see your face
Whenever I get to say I love you and you say me too and you know that's all I need
At the end of the day it's a pretty good day to be me

Hey hey hey
It's a pretty good day
Hey hey hey
It's a pretty good day to be me
Hey hey hey
It's a pretty good day
Hey hey hey
