

# Supercut

Lorde

In my head, I play a supercut of us  
All the magic we gave off  
All the love we had and lost  
And in my head  
The visions never stop  
These ribbons wrap me up  
But when I reach for you  
There's just a supercut

In your car, the radio up  
In your car, the radio up  
We keep trying to talk about us  
I'm someone you maybe might love  
I'll be your quiet afternoon crush  
Be your violent overnight rush  
Make you crazy over my touch

But it's just a supercut of us  
Supercut of us  
Oh it's just a supercut of us  
Supercut of us

So I fall  
Into continents and cars  
All the stages and the stars  
I turn all of it  
To just a supercut

Cause in my head (in my head, I do everything right)  
When you call (when you call, I'll forgive and not fight)  
Because ours (are the moments I play in the dark)  
We were wild and fluorescent, come home to my heart, uh

In your car, the radio up  
In your car, the radio up  
We keep trying to talk about us  
Slowmotion, I'm watching, I love  
I'll be your quiet afternoon crush  
Be your violent overnight rush  
Make you crazy over my touch

But it's just a supercut of us  
Supercut of us  
Oh it's just a supercut of us  
Supercut of us  
But it's just a supercut of us  
Supercut of us  
Oh it's just a supercut of us  
Supercut of us

Cause in my head, in my head, I do everything right  
When you call I'll forgive and not fight  
All the moments I play in the dark  
Wild and fluorescent, come home to my heart
