

# I'm Alright

Loudon Wainwright III

Well it's been a long time, glad to see your face  
I knew we'd meet again another time, another place  
Can't believe it's been so many years  
We better grab a chair and a couple of beers  
You're lookin' good in your three piece suit  
You know I always knew you'd take the business route  
You were always the one who followed the light and  
You look like you're doing alright

I've been singing for my rent and singing for my supper  
I'm above the below and below the upper  
I'm stuck in the middle where the money gets tight  
But i guess I'm doing alright

I'm all, I'm all, I'm alright  
It's a beautiful day, not a cloud in sight  
So I guess I'm doing alright  
Oh, oh I'm alright  
Got a good ole friend here with me tonight  
So I guess I'm doing alright

Well we raised a lot of hell when we were younger  
They thought we were crazy but we had the hunger  
We kept a lot of friends and skipped a lot of class  
Been on top of the world and knocked on our ass  
Lost touch, we lost in love  
And lost our minds when things got tough  
But beating time is a losing fight  
But I guess I'm doing alright

I'm all, I'm all, I'm alright  
It's a beautiful day, not a cloud in sight  
So I guess I'm doing alright  
Oh, oh I'm alright  
Got a good ole friend here with me tonight  
So I guess I'm doing alright

Well I hate to see this evening end  
God only knows when I'll see you again  
Send a fax or send me a letter  
Or give me a call that will even be better  
Give the wife a kiss for me  
And say hello to the family  
Tell them all my future's looking bright and I miss them  
But I'm doing alright

I'm all, I'm all, I'm alright  
It's a beautiful day, not a cloud in sight  
So I guess I'm doing alright  
Oh, oh I'm alright  
Got a good ole friend here with me tonight  
So I guess I'm doing alright
