

We Have All The Time In The World

Louis Armstrong

We have all the time in the world
Time enough for life to unfould
all the precious things love has in store
We have all the love in the world
If that's all we love you will find we need nothing more

Every step of the way will find us
With the cares of the world far behind us
We have all the time in the world
Just for love nothing more nothing less only love

Every step of the way will find us
With the cares of the world far behind us
We have all the time in the world
Just for love nothing more nothing less only love
