

I've Got You Under My Skin

Louis Prima

I've got you under my skin
I've got you, ah, deep in the heart of me
So deep in my heart, you're really a part of me
Baby, under my skin

I've tried so not to give in
I said to myself this here affair
Never could go so well
But why should I try to resist
When Luigi I know so well
Little mogetti under my skin

I'd sacrifice anything come what might
For the sake of having you near
In spite of the warning voice that comes in the night
And repeats, and repeats in my ear

Don't you know you little fool
You never can win
Use your mentality, wake up to reality
But each time you do
Just the thought of you Makes me
Stop before you begin
'Cause I've got you under my skin
I've got you under my skin

I'd sacrifice anything come what might
For the sake of havin' you near
In spite of the warning voice that comes in the night
And repeats, and repeats in my ear

Don't you know little fool, you never can win
Use your mentality, wake up to reality
But each time you do
Just the thought of you Makes me
Stop before you begin
'Cause I've got you under my skin
Ah, I've got you under my skin

Yeah, I got you baby under my skin
Ah, holy mackeleer under my skin
I've got you under my skin
