

That Old Black Magic

Louis Prima

Old black magic has me in its spell
Old black magic that you weave so well
Those icy fingers up and down my spine
The same old witch craft when your eyes meet mine

Same old tingle that I feel inside
Then the elevator starts its ride
Down and down I go
Round and round I go

Like a leaf caught in a tide
I should stay away but what can I do
I hear your name and I'm a flame
Flame, flame of desire

Only your kiss can put out the fire
Oh you're the lover I have waiting for
You're the mate that fate had me created for
And every time your lips meet mine

Down and down I go
Round and round I go
In a spin, lovin' the spin I'm in
Under the old black magic called love

In a spin lovin' the spin I'm in
Under the old black magic called love
In a spin lovin' the spin I'm in
Under the old black magic called love

I should stay away but what can I do
I hear your name and I'm a flame
Flame, flame of desire
Only your kiss can put out the fire

Oh you are the lover I have waited for
You're the mate that fate had me created for
And every time your lips meet mine
Down and down I go

Round and round I go
In a spin, lovin' the spin I'm in
Under the old black magic called love
