

## Lucky Ones

Loverboy

Don't ask me how, but guess who hit the big time  
Don't look now but guess whose back in town  
It's so easy don't even have to try  
You're the winner you can take the prize

It's a dream come true which one will it be  
It's a dream come true we'll just wait and see

Only the lucky one's get to steal the show  
Only the lucky one's really get to know  
Only the lucky, Only the lucky one's get Lucky

Same old story somethings never change  
With a beautiful girl everything's prearranged  
Your whole life it comes to you for free  
You wear it well it comes so naturally

It's a dream come true which one will it be  
It's a dream come true we'll just wait and see

Only the lucky one's get to steal the show  
Only the lucky one's really get to know  
Only the lucky, Only the lucky one's

Don't ask me how, but guess who hit the big time  
Don't look now but guess whose back in town  
It comes so easy don't even have to try  
You're the winner you can take the prize

Lucky ones  
Only the lucky one's really get to know  
Only the lucky, Only the lucky one's
