

## Good Girl

Lucky Dube

When you were a little girl  
I had dreams and I had plans for you  
As a single father I knew  
There was gonna be turbulence  
Along the way  
I did not know that so soon  
I'd have to stand on the side  
Watch you go through life  
Without my guidance you see  
I wanted to be there when you cry  
I wanted to be there when you smile  
I wanted to be there when you play  
I wanted to be there all your life  
I would say it's wrong  
She'd say it's right  
Words got spoken since  
I live in a glass house  
I didn't want no stones to be thrown  
I didn't want no blows to be thrown  
But I would hate to see my...

Good girl go bad  
Good girl go bad

The games we played  
The rhymes you taught me  
Everything we did together  
Those were the best days of my life  
I will always remember  
The little girl you were once  
I wanted to be there when you cry  
I wanted to be there when you smile  
I wanted to be there when you play  
I wanted to be there all your life  
I would say it's right  
She'd say it's wrong  
I would say it's wrong  
She'd say it's right  
Words got spoken since  
I live in a glass house  
I didn't want no stones to be thrown  
I didn't want no blows to be thrown
