```
I have gone right round the world, trying to find a women
A women that'll understand me
A women that'll understand me
All the women I had before, never understood me
Now that I've found you baby
I ain't gonna look no further
Now that I've found you baby
I ain't gonna look no further
Now that I've found you baby
I ain't gonna look no further
It's so nice when you're there, so nice, so nice
I love you I love you I love you I love you
I've got you babe to make me feel alright
I've got you babe to make me feel alright
I've got you babe to make me feel alright
I've got you babe to make me feel alright
I've got you babe to make me feel alright
I've got you babe to make me feel alright
Baby you know how much I need you baby
Please never leave me baby, never leave me, ooh
You know baby my life depends on you
You are my future you are everything I've got
Please baby please baby, yeah
I've got you babe to make me feel alright
I've got you babe to make me feel alright
I've got you babe to make me feel alright
I've got you babe to make me feel alright
I've got you babe to make me feel alright
I've got you babe to make me feel alright
