I Want to Know What Love Is

Lucky Dube

I've got to take a little time A little time to think things over I'd better read between the lines In case I need it when I'm older

This big mountain I must climb Ohh feels like the world upon my shoulders Through the crowds I see love shine It keeps me warm as life grows colder

In my life, there's been heartache and pain
I don't know, if I can face it again
I can't stop now
I've travelled so far
To change this lonely life

I want to know what love is Reggae can show me I want to feel what love is Reggae can show me

I'm going to take a little time A little time to look around me I've got nowhere left to hide It looks like reggae has finally found me

In my life, there's been heartache and pain
I don't know, if I can face it again
Can't stop now
I've travelled so far
To change this lonely life

I want to know what love is Reggae can show me I want to feel what love is Reggae can show me
