

The Hand That Giveth

Lucky Dube

What type of rich man are you, who doesn't care about
the poor peo-ple,
what type of rich man are you who doesn't care about
the helpless people

What type of rich man are you, who doesn't care about
the poor peo-ple,
what type of rich man are you who doesn't care about
the helpless people

There you read it in the bible but don't understand
what it say
It says,

Blessed is the hand that giveth, than the one that
taketh
Blessed is the hand that giveth, than the one that
taketh
Blessed is the hand that giveth, than the one that
taketh

Are you feeling the pain, when you see another man is
suffering?
I said are you feeling happy, when you see another man
with no food?
Does it make you feel the pain, to see another man
starving?

You read about it in the bible, but didn't understand
it.

Blessed is the hand that giveth, than the one that
taketh
Blessed is the hand that giveth, than the one that
taketh
Blessed is the hand that giveth, than the one that
taketh
Blessed is the hand that giveth, than the one that
taketh
