

# Money Maker

Ludacris

Shake your money maker, like somebody about to pay ya  
I see you on my radar, don't you act like you're a fader, she...

You know I got it, if you wanna come get it  
Stand next to this money, like hey hey hey

Shake your money maker, like somebody about to pay ya  
Don't worry about them haters, keep your nose up in the air

You know I got it, if you wanna come get it  
Stand next to this money, like hey hey hey

Shake, shake, shake your money maker  
Like you are shaking it for some paper  
Took your mama nine months to make ya  
Might as well shake what your mama gave ya  
You, you lookin good in them jeans  
I bet you, look even better with me in between  
I keep my mind on my money, money on my mind  
But choose a hell of a distraction when you shake your behind  
I got on my right side  
Poe some girls, my whole hood is on to left  
And they ain't givin a fuck  
So feel free to get lose, and get carried away  
So about tomorrow you forget what you were saying today  
But don't forget about this feeling that I'm making you get  
And all the calories you burn, from me making you sweat  
To my highpoint you earn when we taking my jet  
And how everywhere you turn I'll be making you wet  
Cause you can.

Shake your money maker, like somebody about to pay ya  
I see you on my radar, don't you act like you're a fader, she...

You know I got it, if you wanna come get it  
Stand next to this money, like hey hey hey

Shake your money maker, like somebody about to pay ya  
Don't worry about them haters, keep your nose up in the air

You know I got it, if you wanna come get it  
Stand next to this money, like hey hey hey

Switch, switch, switch it from right to left and  
Switch it till you running right out of breath and  
Take a break to be ready again and  
You can invite over as many friends  
You want too, but i really want you  
Just be thankfull that Pharrel gave you something to bump to  
Luda! I'm at the top of my game  
You want my hands from your bottom to the top of your frame  
And I, just wanna take a little right on your curves  
And get erotic giving your body just what it deserves and  
Let me give you some swimming lessons on the penis  
Backstroke, breaststroke, stroke of a genius  
Yea, come in a innocence mean and  
I stay harder than a senablock man, hey

I am just a bedroom gangster  
And I be mean in tell ya that i really must stack ya when ya

Shake your money maker, like somebody about to pay ya  
I see you on my radar, don't you act like you're a fader, she...

You know I got it, if you wanna come get it  
Stand next to this money, like hey hey hey

Shake your money maker, like somebody about to pay ya  
Don't worry about them haters, keep your nose up in the air

You know I got it, if you wanna come get it  
Stand next to this money, like hey hey hey

Rock, rock, rock it an make it work girl  
Please don't stop till it hurt girl  
You, you been looking a little tipsy  
So if you put just shake it a little this way  
See I'm a member of the BBC  
The original breadwinner of DTP  
And you're the center of attention that is distracting the squad  
Cause everybody in the campus like, oh my god! She could...

Shake your money maker, like somebody about to pay you  
I see you on my radar, don't you act like you're a fader, she...

You know I got it, if you wanna come get it  
Stand next to this money, like hey hey hey

Shake your money maker, like somebody about to pay you  
Don't worry about them haters, keep your nose up in the air

You know I got it, if you wanna come get it  
Stand next to this money, like hey hey hey
