

Don't Be Afraid Of The Light That Shines Within You

Luka Bloom

Don't be afraid of the light that shines within you.

Out of the cold, dark winter space
We come together, looking for Brigid's grace
We dip our open hands deep into the well
Where our rivers run to, who can tell, who can tell

We warm our hearts and faces in the heat of the burning flame
Something about our spirit never stays the same

Don't be afraid of the light that shines within you
Don't be afraid of the light that shines within you
Don't be afraid of the light that shines within you
Within you

So many lives in shadows, with so much to give away
Brilliant dreams in waiting, to see the light of day
We step up to the well at the dawn of spring time
When we go our way, we let the light shine, let your light shine

Don't be afraid of the light that shines within you
Don't be afraid of the light that shines within you
Don't be afraid of the light that shines within you
Let the light protect you
Let the light direct you
Don't be afraid
Don't be afraid
The light that shines within you.
