## Church

## Lyle Lovett

I went to church last Sunday So I could sing and pray But something quite unusual Happened on that day

Now church it started right on time Just like it does without a doubt And everything was all just fine Except when it came time to let us out

You know the preacher he kept preaching He told us I have one more thing to say Children before you think of leaving You better think about the Judgment Day

Now everyone got nervous
Because everyone was hungry too
And everyone was wondering
What was the next thing he would do

And the preacher he kept preaching He said now I'll remind you if I may You all better pay attention Or I might decide to preach all day

And now everyone was getting so hungry That the old ones started feeling ill And the weak ones started passing out And the young ones they could not sit still

And the preacher's voice rose higher
So I snuck up on the balcony
And I crept into the choir
And I begged them brothers, sisters, help me please

I said when I give you a signal
I said when I raise up my hand
Won't you please join with me together
And praise the Lord I have a plan

And the preacher he kept preaching Long is the struggle, hard the fight And I prayed, Father please forgive me And then I stood up and with all my might I sang

To the Lord let praises be
It's time for dinner now let's go eat
We've got some beans and some good cornbread
And I listened to what the preacher said
Now it's to the Lord let praised be
It's time for dinner now let's go eat

Yes and I did give a signal Yes and I raised up my hands And then joined with me the choir Yes every woman, child, and man

## They sang

To the Lord let praised be
It's time for dinner now let's go eat
We've got some beans and some good cornbread
And I've listened to what the preacher said
Now it's to the Lord let praised be
It's time for dinner now let's go eat

And the preacher he stopped preaching And a hush the church did fill And then a great white dove from up above Landed on the window sill

And the dove flew down beside him
And a fork appeared right in his hand
And with everybody watching
The preacher ate that bird right there and then

And now everyone got really nervous And the preacher he did start to glow And as we watched in disbelief These were the words he spoke

He said now Mama's in the kitchen And she's been there all day And I know she's cooking something good So let's bow our heads and pray And he sang

To the Lord let praises be
It's time for dinner now let's go eat
We've got some beans and some good cornbread
Now listen to what the preacher said
He said to the Lord let praised be
It's time for dinner now let's go eat

And the moral of this story Children it is plain but true God knows if a preacher preaches long enough Even he'll get hungry too And he'll sing

To the Lord let praises be
It's time for dinner now let's go eat
We've got some beans and some good cornbread
Now listen to what the preacher said
He said to the Lord let praised be
It's time for dinner now let's go eat
