

# Creeps Like Me

Lyle Lovett

I wear Grandmother's ring  
On my finger  
On my finger  
She had a tooth of gold  
And just before she died  
She said son  
You can have my tooth  
But do I  
Really have to go

Look around  
And you will see  
This world is full of creeps like me  
You look surprised  
You shouldn't be  
This world is full of creeps like me

And I keep my Uncle Leon  
In my closet  
In my closet  
There don't nobody know  
Just me and Uncle Leon  
And my closet  
And they wonder  
Where'd that old man go

Look around and you will see  
This world is full of creeps like me  
You look surprised  
You shouldn't be  
This world is full of creeps like me

And I knew this pretty girl once  
She was eighteen...  
Maybe  
What's a year or two  
And one day when she asked me  
If I loved her  
I said baby  
What's it worth to you

But look around  
And you will see  
This world is full of creeps like me  
You look surprised  
You shouldn't be  
This world is full of creeps like me

And I wear Grandmother's ring  
On my finger  
On my finger  
She had a tooth of gold  
She had a tooth of gold  
She had a tooth of gold
