

# Fiona

Lyle Lovett

Way down yonder on the bayou  
There lives a little girl-o  
Skin so pale  
Six feet high  
Skinny as a rail  
Just one eye

She's the one-eyed Fiona  
She's the one-eyed Fiona  
She's the one-eyed Fiona  
She's the one-eyed Fiona

Her daddy gone to heaven  
Her mama won't like you  
Her brother he's crazy  
He just might bite you  
Her sister she's pretty  
But she just won't do

She's the one-eyed Fiona  
She's the one-eyed Fiona  
She's the one-eyed Fiona  
She's the one-eyed Fiona

Oh you can say she gonna love you  
Because you made a little voodoo  
Oh but what they didn't tell you  
Is it ain't up to you dude

You better not cross her  
You try to boss her  
Then you better duck Mister  
Here come a cup and saucer

She's the one-eyed Fiona  
She's the one-eyed Fiona  
She's the one-eyed Fiona  
She's the one-eyed Fiona

So if you're going to the bayou  
Man I'll tell you all I know  
She's got skin so pale  
She's six feet high  
And she'll look right through you  
With just one eye

She's the one-eyed Fiona  
She's the one-eyed Fiona  
She's the one-eyed Fiona  
She's the one-eyed Fiona
