Congratulations

Where are you? Ohhhhh-ohhh (hehehe) Ohhhhh The Divine Feminine, an album by Mac Miller Ohhhhh-ohhh (The Divine Feminine, hehehe) (The Divine Feminine, hehehe) Ohhhhh Am I supposed to? Okay Love Love, love, love, love, love (sex) Love, love, love, love, love, love (sex) This sun don't shine when I'm alone I lose my mind and I lose control I see your eyes look through my soul Don't be surprised, this all I know I felt the highs and they felt like you See a love like mine is too good to be true And you too divine to just be mine You remind me of the color blue Girl I'm so in love with you, yeah Girl I'm so in love with you Yeah, yeah Yeah, yeah, yeah, yeah Well, baby You were everything I ever wanted Bought a wedding ring, it's in my pocket Planned to ask the other day Knew you'd run away, so I guess I just forgot it Remember when you went away to college Hours on the phone, we end up talkin' Past, present, future, all the gossip, God damn Puppy love ain't what it was, darlin' Feelings that we have are so alarmin' I can make you laugh, I can break the glass If we made it last, it'd be a bargain Mr. Charmin', that is my department You was there before the fancy cars and You was there when I was just a starvin' artist When the car was havin' trouble startin' Now we got our own apartment, same box for the mail Same hamper for the laundry, the food in the fridge is stale And this mornin' you cooked the eggs with the kale I tried to hit it while you was gettin' dressed You said "All you ever think about is sex" I'm like, "Oh well, you know me so well And if this will make you lay, I swear, I won't tell And every time I call your phone, you better pick up your cell I swear to God I'ma freak out if it go straight to voice mail" Well, I'm the jealous type But I swear that ass what Heaven's like When I'm in that pussy, it's a better life That's the only way I'm tryna end the night That's my only chance, I better get it right

Mac Miller

Take your time my baby Cause I'm waitin' for you, for you And I'ma make your mind go crazy Cause I'm waitin' right here for you, for you

You get closer with me run away All I ever know is the color gray Your loveliness bring me sunshine I found an angel so divine Heaven probably not the same without you But now you're in my world In my world, ahhh-ahh Ahhh-ahhhh, ahhh-ahhh
