

# Donald Trump

Mac Miller

Ay yo, the flyest motherfucker in the room  
Yeah, you know it's me  
Bitches hating on him, cause he started out here locally  
Hopefully, I'll be at the top soon  
For now I'm at my house, on the couch, watching cartoons  
You know how much you love it when you get it in abundance  
Give a fuck about a budget when you always be the subject of discussion  
But it's nothing when you stop and just say fuck it  
Cause you walking out in public and you hear 'em talkin' rubbish  
I just wanna ride, ride through the city in a Cutlass  
Find a big butt bitch, somewhere get my nuts kissed  
That's the way it goes when you party just like I do  
Bitches on my dick that used to brush me off in high school  
Take over the world when I'm on my Donald Trump shit  
Look at all this money, ain't that some shit?  
Take over the world when I'm on my Donald Trump shit  
Look at all this money, ain't that some shit?

We gonna take over the World while these haters gettin' mad  
That's why all my bitches bad, they see this crazy life I have and they in a  
we  
We gon' win, you can take the lose or draw  
What I'm in, got these hoes that used to play me in their bras  
We gonna take over the World while these haters gettin' mad  
Take over the World, watch these haters get mad  
That's why all my bitches bad, they see this crazy life I have  
Hop into the car then we take 'em to the pad  
It's a wrap

And motherfuckers think they know me but they never met the kids  
Style come with excellence and money make benevolence  
Irrelevant for the fuckers who never been intelligent  
I kill my Henny, break the bottle for the hell of it  
Tell a bitch, that she better bring her friend  
And if she want an autograph she better bring a pen  
Yeah the party never ends, this life is what I recommend  
And if you got a hoe before me, then she better be a 10  
I ain't picky but these girls be acting tricky  
When the situation's sticky and the liquor got 'em silly  
But I take over the World when I'm on my Donald Trump shit  
Look at all this money, ain't that some shit?

We gonna take over the World while these haters gettin' mad  
That's why all my bitches bad, they see this crazy life I have and they in a  
we  
We gon win, you can take the lose or draw  
What I'm in, got these hoes that used to play me in their bras  
We gonna take over the World while these haters gettin' mad  
Take over the World, watch these haters get mad  
That's why all my bitches bad, they see this crazy life I have
