

# Youth Of Today

Amy Macdonald

Maybe if you were some spear headed guy  
I would listen to what you have to say  
But you're just some incapable figure  
Thinking you're bigger  
Than me  
But you're not, yeah  
You don't know a thing about  
The youth of today  
Stating your opinion  
Making it ring in my head all day

And you say  
My children weren't the same  
My children's children they're the ones to blame  
And you say  
In my day we were better behaved  
But its not your day, no more

We are the youth of today  
Change your hair in every way  
And we are the youth of today  
We'll say what we wanna say  
And we are the youth of today  
Don't care what you have to say, at all

And maybe if you had a true point of view  
I would listen to you  
But its just your  
One-sided feelings  
They keep getting in my way

And you don't know a single thing about  
The youth of today  
Stating your opinion  
Making it ring in my head all day

And you say...

We are the youth of today...

And you say...

We are the youth of today...
