

# Chasing Pavements

Machine Gun Kelly

"I made up my mind  
Don't need to think it over  
If I'm wrong I am right  
Don't need to look no further  
This ain't lust, I know  
This is love...  
Should I give up?  
Or, should I just keep chasing pavements,  
Even if it leads no where?  
Oh, would it be a waste?  
Even if I knew my place?  
Should I leave it there?  
Should I give up?  
Or should I just keep on chasing pavements?"

Fall asleep until the dream comes  
Motherfuck reality  
Happiness - I think I need some  
So I overdose on fantasy  
My life's euqation ain't complicated  
Just a combination of hate is denominated as stated  
No rest plus the cess and abuse to prescription meds  
Times stressed equals out to be the motherfucking mess that is... Kells  
The boy with no home  
That's why I live in your speakers through this song  
That's why they turn it up so loud the bass hits and  
You can feel me when I'm gone  
And when I die, spread my message like the Qu'ran  
Motherfuckas gettin paid, I'm just tryna get saved  
7 years of living crooked: I'm just tryna get straight  
All the crack in my city even though these streets paved  
Makes me wonder if I should let all my life dreams wait or should I...

Bored out of my mind: I need a fuckin job  
But they ain't hiring shit, that's why I fuckin rob  
Had to hustle cause unless you got them test scores  
Colleges only coming around here looking for Brett Favre  
For the next star, or if you 6'4"  
And if you can pitch, but other than that shit you just pitch raw  
That's what I'm pissed for  
Cause if you ain't worth a couple of dollars  
These scholars is looking at you like "what do we need him for?"  
I'm saying: just because I ain't Kareem  
You tellin me I should give up on my dream?  
You telling me I ain't shit cause I ain't working for degrees? Or on a team?  
This country's flag is a joke  
That shit should be painted green  
Tell me when is currency valued over a human being?  
When we stand for nothing, we falling for anything  
But EST for life and that's exactly what I'll scream  
Misunderstood until they answer one thing - What's that? Kells!

"I can barely talk by the way.  
My mouth is fucking closed.  
I just had surgery.  
You know Motha fucka just a record deal.  
We got dental insurance now biotch!"
