## W/S Foe Life

We got bitches on the left, Niggas on the right Bitches wanna fuck, Niggas wanna fight Do what you gotta do, Nigga keep it tight But make um understand Its Westside foe Life

X rated Americans most faded, Bitch plated niggas in the indust ry Got it in for me, but I kick back nigga life is short, And you don't wanna get put on life support We wake up early, you ain't worthy and got the killas on deck So the rappers ain't got to get they hands dirty You wanna battle, hand a bitch the mic you wanna squab, I'm too rich to fight Niggas get him git him, where it hurts to his head squirts puss

Infamous when you ain't kin to us Abuse with Crips and Bloods, on the loose Killa Cali all we need is an excuse

Just remember you niggas that want me to timber I'm in my swimming pool, in the middle of December Foe every motherfucka that wanna kill a vet make sure he see a silloutte foe his pillows wet Its the motherfuckin crack king westside nigga lookin mean so pass the vaseline hit the supa green shott the M1 carbeam It yellow tape on the scene, so join my team It looks like you need protection, From the Westside Connection Punk the world ain't yours cause motherfuckas like you do chore s

Ya'll punk niggas don't got a choice Yo bitch hear my voice pussy get moist Bitches in the beauty shop, talkin bullshit Lyin on which rich nigga done hit How many dicks did you have stuck in you The topic is always whose fuckin who Nappy hair hoes with earrings in they nose Always seem to fuck the rich bros A word to your females consumer You given all the playas tumors With your hood rat rumors Just because you gettin your hair cut Don't you got to spill yo guts and lie on my nuts
