

Excuse my ignorance,  
But isn't this what men strive lifetimes for?  
The price is high, but consequence  
Of spinelessness will cost much more

Kerosene...  
Carry me...

If my faith gives way I have nothing.  
Nothing.  
If I lose my grip I've gained none at all.

Excuse my arrogance,  
But where do you think inspiration lies?  
Hate the life, love the depth  
Shovels can't be sanitized

Kerosene...  
Carry me...

If my faith gives way I have nothing.  
Nothing.  
If I lose my grip I've gained none at all
