

Changing All Those Changes

Madeleine Peyroux

Sweetheart I'm changing all those changes
That I made when I left you
Because I made those changes when I thought you were untrue
But now you're gone I've found I'm wrong
And there's a nothing I can do
Except to change up all those changes
That I made when I left you
To change up all those changes
That I made when I left you

I didn't stop to think, bo, I just left without a care
But now I know I'm wrong and I can't find you anywhere
Well I should have reconsidered all those things I said I'd do
Cause now I'm changing all those changes
That I made when I left you
I'm changing all those changes
That I made when I left you

But now you're gone I've found I'm wrong
And there's a nothing I can do
Except to change up all those changes
That I made when I left you
To change up all those changes
That I made when I left you
