

A Beautiful Life

Madina Lake

I'm trapped in here
And all the stress and fighting
Makes it hard to hear
Any love left in our words
What sense does it make
To fight and betray
Life is hard enough, why can't we
Just learn to be
Relax and to breathe
It's all how we perceive

And when you realize your life's inside
You will find a piece of mind
And we can have a beautiful life
There is no future, no such thing as time
With no regret or guilt inside
We can have a beautiful life

It's warm in here
And you could hear a pin drop in my
Mind, it's clear
Free from all the drama
And the weight of you
Now that you know who I am I used to
Wonder why, I would lie so much
That I gave up my life
Cause you would never accept who I was

And when you realize your life's inside
You will find a piece of mind
And we can have a beautiful life
There is no future, no such thing as time
With no regret or guilt inside
We can have a beautiful life

No I'm not worried, and I'm in no hurry
Cause I just don't care anymore
I'm finally proud of who I have become
And I'll never change for anyone
No oh oh

And when you realize your life's inside
You will find a piece of mind
And we can have a beautiful life
There is no future, no such thing as time
With no regret or guilt inside
We can have a beautiful life
