

# Never Take Us Alive

Madina Lake

Sometimes I feel like I'm from another world,  
And everything I want in life seems impossible.  
People, they'll tear you apart,  
But in the bottom of our hearts,  
Our dreams alive inside,  
We won't forget.

So we say:  
You can't break, can't change, can't take us down.  
(We run this town!)  
We stand, we'll fight, set fires all night;  
You'll never take us alive.  
You'll never take us alive.  
You'll never take us alive.

For the last time I give myself to the enemy  
By letting their words just walk all over me.  
'Cause people, they'll tear you apart  
If you are not like them,  
And we are different.  
Let the war begin.

So we say:  
You can't break, can't change, can't take us down.  
(We run this town!)  
We stand, we'll fight, set fires all night;  
You'll never take us alive.  
You'll never take us alive.  
You'll never take us alive.

There's no fear inside;  
This is our time, no giving up.  
When we connect our hearts to our minds,  
there's no stopping us.

So we say:  
You can't break, can't change, can't take us down.  
(We run this town!)  
We stand, we'll fight, set fires all night;  
You'll never take us alive.  
You'll never take us alive.  
You'll never take us alive.
