

# They're Coming For Me

Madina Lake

Kick open the bedroom door  
The walking has turned to a crawl  
And I just lied, to everyone  
I stumble into the bed  
And that's where I start to beg for a peace of mind  
Where I deny  
Just like the night before  
Just like the night before that one...  
And I don't know,  
If I'll see tomorrow's sun

I feel the angels' coming for me  
But I'm not ready to leave  
I got a promise to keep  
Woah...  
I feel forever slipping away  
You know I'll fight this disease  
I'll fight it everyday for you

Don't wanna be sick no more  
But I'm just too insecure to ask for help from any friends  
I can't turn to family  
Cause they're so proud of me  
And there is no worse feeling  
But I can do this by myself

I feel the angels' coming for me  
But I'm not ready to leave  
I got a promise to keep  
Woah...  
I feel forever slipping away  
You know I'll fight this disease  
I'll fight it everyday for you

I always thought I could do anything  
That I don't need anyone  
But I'm all alone  
And I need help  
My life is slipping in  
I just don't wanna die...

I feel the angels' coming for me  
But I'm not ready to leave  
I got a promise to keep  
Woah...  
I feel forever slipping away  
You know I'll fight this disease  
I'll fight it everyday for you

I'll fight it everyday for you  
I'll fight it everyday for you
