Paradise (Not for Me)

Madonna

I can't remember When I was young I can't explain If it was wrong My life goes on But not the same Into your eyes My face remains

(I've been so high)
I've been so down
(Up to the skies)
Down to the ground

I was so blind I could not see Your paradise Is not for me

Autour de moi Je ne vois pas Qui sont les anges Surement pas moi Encore une fois Je suis cassee Encore une fois Je n'y crois pas All around me I could not see Who are the angels Surely not me Once more again I am broken Once more again I don't believe it

I've been so high
I've been so down
Up to the skies
Down to the ground

There is a light Above my head Into your eyes My face remains

I can't remember When I was young Into your eyes My face remains

Into your eyes
My face remains
