

# Dance Monkey

Magic!

I was in the wild  
Living life from tree to tree  
So I learned a simple song  
And sang in a jamboree

And the people came and cheered  
Thought that I was finally free  
Till they sold me to a man  
That had another plan for me

He said dance monkey, dance  
(Dance monkey)  
Play that song I know, oh, oh  
He said dance monkey, dance  
(Dance monkey)  
In this yellow coat

Dance, dance, dance monkey  
Dance, dance, dance monkey  
Dance, dance, dance monkey

Saved up just enough  
To buy a new guitar  
And I wrote a simple song  
An honest message from my hear

When I sang it to the crowd  
It was not the same applause  
I could hear them screaming out  
You know what we came here for

They said dance monkey, dance  
(Dance monkey)  
Play that song I know, oh, oh  
They said dance monkey, dance  
(Dance monkey)  
In your flower coat

Dance, dance, dance monkey  
Dance, dance, dance monkey

It doesn't matter what the people say  
You can take my house way  
Cause I know that I'll never be no  
Dance, dance, dance monkey  
It doesn't matter what the people say  
You can take my house way  
Cause I know that I'll never be no  
Dance, dance, dance monkey
