

## Silver Car Crash

Majical Cloudz

I never show it  
But I am always laughing  
I want to kiss you  
Inside a car that's crashing  
And we will both die laughing  
Cause there is nothing left to do  
And we will both die laughing  
While I am holding onto you

I will be honest  
I am afraid of love  
If I'm not perfect  
Then it will let me starve  
But I am always perfect  
When I am holding onto you  
And I know love is worth it  
I am in perfect love with you

I want to show you  
The funny dream I'm having  
My head splits open  
For all the camera's flashing  
But I am dead already  
And I am bleeding onto you  
I hope you won't forget me  
I am so hopelessly for you
