

# Serial Dementia

## Malevolent Creation

Raging on, fierce attacking  
Splitting flesh, down to bone  
Brain is blown, deviate  
Serial dementia  
Fire burns Deep inside,  
Gates of hell Thrown wide open  
And Bioses expands

Brain burning deep with sin  
Demons knock wanting in  
Uncontrollable urge  
Follow through tempered surge  
Stalking still in shadows  
Lunacy Quick to swallow  
To achieve its bidding  
Blood lust

Raging on, fierce attacking  
Splitting flesh, down to bone  
Brain is blown, deviate  
Serial dementia  
Fire burns Deep inside,  
Gates of hell Thrown wide open  
And Bioses expands

Screaming fills your head  
Your own or the dead  
Nostrils fill with heat  
Finish impaired deeds  
Stalking still in shadows  
Lunacy quick to swallow  
To achieve its bidding  
Blood lust

Darkness now falls, Homicide calls  
Victims are all;  
Serial Dementia  
Implement gripped Lunacy sipped, Arterial drip;  
Plunging onward  
Hearing them scream, Blood soaked dream, Killer extreme;  
Serial Dementia  
Honing of skills, gather of kills, Bending of wills;  
Serial Dementia
