Doo Right

I wanna hold you Till the mountains turn into sand Oh my God, what happened to all those days Before we were bruised Before we were cut loose To drown in your wake

I can't breathe underwater Like I used to 'fore I met you, oh

I just can't remember January straight through December My collective memories are in shambles And so are my scruples I'm outside your window Throwin' bricks at the moon

I can't breathe underwater Like I used to 'fore I met you

Man Man
