

Twenty Years

Man Overboard

If I could have seen, just how easy it would be to fall in love
with what's around me,
If I would have known, just how lightly I'd get thrown into the
water I want to drown in,

Lady, the rain falls,
Lady, the pain's gone,

If I could have seen, just how easy it would be to get lost in
what's around me,
I would have been crying.
What's it like to finally see the sun after twenty years of try
ing?
To be okay

If I would have tried, maybe I'd have felt secure, instead of h
anging on your reply,
If I would have saved, the little day that we had left, if I co
uld have learned to behave,

Lady, the rain falls
Lady, the pain's gone

If I could have seen, just how easy it would be to get lost in
what's around me,
I would have been crying.
What's it like to finally see the sun after twenty years of try
ing?
To be okay
(Cause I'm okay)

The pain can be deadly, but it seems that I have made it out be
fore it had the chance to get me,
I made it, I made it, I made it safe.
I made it safe,
I made it safe.
