

Intense

Mandy Capristo

To my one and only
you know I been lonely
you know I've been waiting for you to come around
I know that you're busy
but can you please show me
needed you know what I was all about

chorus
The way you you
and the way I
and you said that
and you touched me
and I loved it
and I told you
in the moonlight
that it was so intense
and then you kissed me
and you led me
to the stairway
with my guard down
in the morning
when I woke up
yeah I realized
that it was so intense

You push and you pull me
you're blowin me over
you're showin' me things I didn't know they exist
and I keep on going
afterthoughts flowin
awake to the taste of you still on my lips

chorus

bridge
Ooh ooh send me back
oooh you send me back again
(so intense)
ooh ooh send me back
oooh you send me back again
ooh ooh send me back
oooh you send me back again
ooh ooh send me back
oooh you send me back again

I wanna get you around here
get you around here
make you say
say my name out loud
I wanna feel that emotion
be in the moment
turnin me
turnin me inside out
turnin me inside out

To my one and only
you know I've been lonely

you know I've been waiting for you to come around

chorus (2x)

I wanna get you around here
get you around here
make you say
say my name out loud
I wanna feel that emotion
be in the moment
turnin me
turnin me inside out
I wanna get you around here
get you around here
make you say
say my name out loud
I wanna feel that emotion
be in the moment
turnin me
turnin me upside down
