

Everything Must Go

Manic Street Preachers

Shed some skin for the fear within,
is starting to hurt me with everything.
Freed from the memory,
escape from our history,

And I just hope that you can forgive us,
but everything must go,
And if you need an explanation,
then everything must go.

Look to the future it makes me cry
But it seems too real to tell you why
Freed from the century
With nothing but memory, memory

And I just hope that you can forgive us
But everything must go
And if you need an explanation
Then everything must go

Freed us eventually just need to be happy, happy

And I just hope that you can forgive us
But everything must go

And if you need an explanation
Then everything must go
And if you need an explanation
Then everything must go
