

Dance The Night Away

Mann

There's a lot of girls in the club
But she really caught my eye
Feeling like
I may have just feel in love
For the very first time

I just wanna slow dance with you
No-one else but you
Girl, meet me on the dance floor
And don't be afraid babe

We gunna dance the night away. hey
We gunna dance the night away, hey
So baby tell me what you say, hey
We gunna dance the night away, hey
And if I had it my way, hey
We would dance the night away, hey
We gunna dance the night away, hey

Word around town that I'm a player
