

Reminisce

Mann

We used to be cool
Now, we don't speak no more
We used to go party
Now, I'm in the club all alone
Now, I reminisce
Now, I reminisce over you, my girl
Now, I reminisce
Now, I reminisce over you, yeah

Look, I went on facebook the other day
And in my news feed, I've seen her updates
Talkin' 'bout how much she loves this new guy, she's wit'
He proudly sum more post some gabanna shit
I send her messages, really just trynna get our relationship back
She ain't replay to it
She hit me the day, and I was like "I knew it"
She may like him, but she's still in love with the kid
She said "Get over myself", 'cause she's over me and she's finally in a
Relationship
And she deserved to be in
"We never gone be back together, so please stop tryin'
We're over, done deal, we had our time"
Then I lost my mind
I lost my mind
No I can't see to get this girl off my mind
Yea I sit and reminisce about my ex all the time
But she don't mean me all

We used to be cool
Now, we don't speak no more
We used to go party
Now, I'm in the club all alone
Now, I reminisce
Now, I reminisce over you, my girl
Now, I reminisce
Now, I reminisce over you, yeah

We used'a talk about our future
Who did thought that the present is all we had in the past
Whatever happened to us, uhh it just happend so fast
If I had a chance I would love to go back to the days, we used to chill
I made her feel the best way, that she can feel
I wasn't ready for a real relationship, that's sumthin' I still regret
I feel stupid's deal
Her love was amazing, no ev'ry occasion
Knew I was on sumthin', when we started datin'
Her heart was broken, so we couldn't stay friends
When I'm in the end we ain't be in the same sense
Cause I lost my mind
I lost my mind
No I can't see to get this girl off my mind
Yea I sit and reminisce about my ex all the time
But she don't mean me all

We used to be cool
Now, we don't speak no more
We used to go party

Now, I'm in the club all alone
Now, I reminisce
Now, I reminisce over you, my girl
Now, I reminisce
Now, I reminisce over you, yeah

I want that old thing back
Yeah, I really want that old thing back
Now, I gotta find a new love, yeah
Now, I gotta find a new love, yeah
'Cause I can't let it hold me back
No, I can't let it hold me back
Now, I gotta find a new love, yeah
Now, I gotta find a new love, yeah

We used to be cool
Now, we don't speak no more
We used to go party
Now, I'm in the club all alone
Now, I reminisce
Now, I reminisce over you, my girl
Now, I reminisce
Now, I reminisce over you, yeah
Yea
