

Battle Hymn

Manowar

By moonlight we ride
Ten thousands side by side
With swords drawn held high
Our whips and armor shine

Hail to thee our infantry
Still brave beyond the grave
All sworn the eternal vow
The time to strike is now

Kill Kill ooooh
Kill Kill oooh
Kill Kill ooooh
Kill Kill ooooh

Gone are the days when freedom shone
Now blood and steel meet bone
In the light of the battle's way
The sands of time will shake

How proud our soldiers stand
With mace and chain in hand
Sound of charge into glory ride
Over the top of their vanquished pride

Victory Victory oooh
Victory Victory oooh
Victory Victory oooh
Victory Victory oooh

To the battle we ride
We crossed a starlit sky
No space no time
We'll catch the wind

Strange losses, men died
We crossed a starlit sky
And still no time
We'll catch the wind

Sound of charge into glory ride
Over the top of their vanquished pride
By moonlight we ride
Ten thousands side by side
