

Ski Jump Nose

Mansun

I'm gonna sit my own
Maybe all alone
I'm gonna lie on the couch
Cuz I won't go out
She'll take it easy again
Ending up in hell
Just like the scum of the earth
But I crashed here first

We're all in this together
Ski Jump nose forever
yeah, oh, ooh
Say we're gonna keep it together
yeah, ooh
Say we're gonna keep it together
yeah, ooh
I don't wanna talk about it

She's gonna get herself out
from her plastic town
She's gonna get out her house
gonna get down south
She'll take it easy again
She'll end up in hell
She's only playing a game
change her name again

We're all in this together
Ski jump nose forever
We're all in this together
Ski jump nose forever
We're all in this together
Yeah, oh, ooh
Say we're gonna keep it together
yeah, ooh
Say we're gonna keep it together
yeah, ooh
I don't wanna talk about it

Nik nak paddy wak, Chad's got an
anorak
Glad you're tuned to Ski jump nose
so come on down and
Hide you shame, you love
you love the fame
